

## S.O.E. ASSISTANCE CENTER RENOVATION

### GRAND VALLEY STATE UNIVERSITY

Pew Campus – Eberhard Center

August 2002

Total Project Cost: \$200,000

#### Project Overview

The existing Student Study Center was renovated to support the School of Education's (SOE) Student Assistance Center. The unique space was a 1000 square-foot open floor space in a ninety-degree circular segment. The renovation included new reception lobby, racking file storage system, general office space, conference rooms, and other enclosed office space. The renovation also included new lighting, HVAC, and updated wall and floor finishes. This project was design in conjunction with architects from Design Plus.
